Water Freezes at 32 Degrees!

Each winter the City DPW responds to properties that are not adequately insulated or heated, which in turn results in pipes/meters bursting and a high bill. Please make sure that there is adequate insulation, heat or appropriate winterization to avoid a mess and repair that will be costly to you.

Winter Taxes

Winter property tax bills will be available December 1 and they are due Monday, February 16, 2015. The City will accept late summer and winter tax bills with penalties until Tuesday, March 3, 2015. After this date delinquent taxes go to the County and payments must be made to: Newaygo County Treasurer's Office, P.O. Box 885, White Cloud, MI 49349.

Santa Express & Grant Community Christmas Party

The River Country Chamber of Commerce invites you to the 6th Annual Santa Express Christmas Party. December 13, 2014 11:00am - 2:00pm. Activities include: Complimentary pictures with Santa, crafts, cookie decorating, carriage rides, music and more.

Winter Parking Restrictions-Ord. #18

The City reminds residents/businesses/visitors that there is no parking of any motor vehicle upon any public street or alley within the City limits between the hours of 2am and 6am November 15-April 15. This aids City plows removing snow from streets. Signs are posted around the City that also serves as a notice. If your vehicle is towed, signs have the appropriate contact number to call.

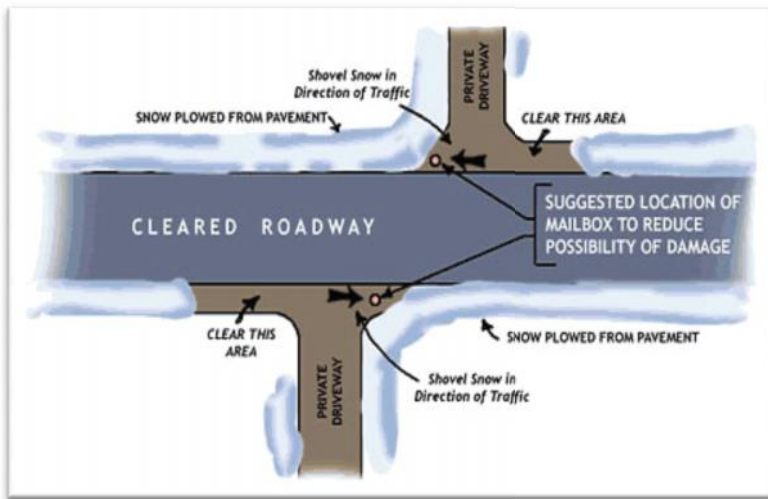

Find us now on Facebook.

Sewer Issues, How Do I Handle It?

If you ever experience slow drains or notice drains bubbling up, first call the **City DPW at 834-7462**. City staff will check the main line from the manhole to determine if the main line is obstructed or not. If the main line is obstructed, then the city will clear the line and is responsible for any property damage. If the main is flowing, then it is likely you have roots in your lateral, grease plugging your lateral, or you have an old clay lateral that may have collapsed. If it is determined that the issue is your lateral, then you should **call a local plumber immediately**. **You are responsible for your sewer lateral to the main line, just like you are responsible for your driveway to the street.**

Winter Snow Plowing: Understanding Plowing Near Driveways

Driveways are always a sensitive issue when it comes to snow removal. DPW crews are sensitive to this problem, however, there is no practical way to plow snow without depositing snow into driveways. Drivers will do their best to minimize filling in or blocking driveways. Below is a graphic showing how a driveway can be initially cleared to reduce the likelihood of the plow filling the entrance. If you shovel or move the snow in the direction of traffic, making a pocket next to the driveway as shown, snow accumulation on the plow will drop into that pocket and only a bare minimum will go into the opening.

Water Main-Hydrant Flushing

City DPW staff will be conducting fall water main flushing the weeks of **October 6-24**. Some discoloration of water may occur throughout this time, so let your water run for a short period until it clears. While the water will continue to be safe to drink, residents are urged to be cautious of discoloration while doing laundry during these times.

Fall Leaf Vacuum Pick-Up: Sept. 29-Nov. 24

The City's popular curbside/edge of street leaf vacuum collection begins Monday September 29 and will continue through November 24.

Residents may rake rows of loose leaves into the edge of the street or continue to use biodegradable--/paper bags. The increased volume of leaves means a regular pick up cycle is difficult, so please be patient. DPW staff will start each Monday after the initial start date during this period and cycle one time through the City. Once a crew has been up/down a street they will not return until the following week. No exceptions.

Snow Removal on Sidewalks

Ordinance #53 section 302.3- Requires property owners to keep sidewalks adjacent to their property free from anything that will obstruct them or cause a hazard to public safety. Please shovel/clear sidewalks to keep them clear, especially for children who use them. Per City Policy, the DPW will clear sidewalks during single snow events of 10 or more inches of accumulation in a single event or as time permits during a regular work day.

Other Local Ordinances to be Aware of:

Ordinance #44 Prohibits loud noise generated by radios or other sound amplification devices. Limits are 50ft from 7am-9pm and 25 ft from 9pm to 7am.

Ordinance #14 Is an ordinance regulating snowmobiles for the winter season. Snowmobiles must be OFF streets, sidewalks, must travel at a speed not greater than 10mph and may not operate between 10pm and 8am.

Ordinance #53.301-308 Our local junk ordinance prohibits unlicensed and nonfunctioning vehicles in the city limits, unless they are located in full-enclosed areas of your property as well as cluttered material present in yards.

Ordinance #20 Is an ordinance requiring anyone plowing snow for hire to obtain a snow plow permit from the City. Permits are \$10 per vehicle.

Ordinance #37-2 An ordinance that allows for a permit to burn for \$20.

Ordinance #34 Curfew-no minors under 17 out from 10pm to 6am, no aiding or abetting curfew violations for 17 or older.

All City Ordinances are available on our website:

www.cityofgrantmi.com

If you see any of these violations, call the Grant Police Department at 834-7212
