Ways to reduce water usage in hot summer months:

- Watering lawns/gardens less often but deep to reach roots will improve the plant health
- Water early morning or evening to avoid evaporation
- Set mower decks at taller levels to help grass avoid stress of summer heat

Happy 4th of July! Be safe and have fun!

With summer upon us, we encourage residents to come in to obtain permits for your various housing and outdoor projects, garage/yard sale permits, burn permits, zoning permits, etc.

Grant City Parks Residents are encouraged to get outside, enjoy the sunshine, exercise, or just relax. We have three parks in the city that residents of all ages can enjoy now that summer is here! Please be sure to clean up after your pets.

Community Center Celebrations Our historical venue is available for wedding receptions, graduation parties, meetings, etc. Rental includes full kitchen facilities, large spacious main hall with antique wood panel flooring, elevated stage for seating guests of honor, and air conditioning. Tables and chairs are also included. Various caterers are available in the area. **City Resident daily rate: \$175; Non-resident daily rate: \$275; Weekend rate: \$375; Non-refundable reservation fee: \$25; Non-alcohol Security Deposit: \$300.** Events with alcohol allowed—see rules and regulations online or contact our office.

Experiencing slow drains or drain bubbling up? First call the City DPW department @ 834-7462. City staff will check the main line from the manhole to determine if the main line is obstructed. If the main line is obstructed, the City will clear the line and evaluate any damage. If the main is flowing, then it is likely you have a blockage in your lateral—could be roots or grease buildup—or your property may have an old clay lateral that could have collapsed. **If it is determined that the issue is in your lateral, you should call a local plumber immediately.** As property owner, you are responsible for maintenance of your sewer lateral to the main line, just like you are responsible for your driveway to the street and any damage incurred.

Important Public Safety Information. If you are in immediate need of a police officer, call Newaygo County Dispatch @ 231-689-5288 to quickly reach the nearest available police officer. **For life threatening emergencies always call 911.**

City Ordinances Violations could result in citations which are issued by Grant Police Department—contact @ 231.834.7212. All City Ordinances can be viewed online @ www.cityofgrantmi.com.
