### **CITY OF GRANT NON-HAZARDOUS WASTE COLLECTION 2012**

The City of Grant has arranged for FREE disposal of non-hazardous household refuse for spring clean up. This service is available for **City residents and businesses ONLY**. In order to accommodate busy schedules, the City DPW (341 S Jones St.) will be open from 7am to 7pm Monday May 7 through Thursday, May 10, so that items may be dropped off before or after work.

The City is providing a 30 yard dumpster and when it is full, the program is completed for the year. This means that if the dumpster is full before Thursday, May 10, the DPW will post notice on the DPW gate so we encourage residents and businesses not to wait. **City staff will require a driver's license ID or property tax statement to verify residency/business ownership to participate in the program along with a sign in sheet.** The dumpster will also be located within the DPW's locked gate. In order to drop off items the City will post a number for the on call staff member to let you in to dump your non hazardous household materials. If you have any questions you may contact the **DPW Office at 231-834-7462.**

Attached is a list of items that will NOT be accepted. If you have items that fit within this category, the Newaygo County Road Commission has a household hazardous waste collection date at the County Road Commission facility in White Cloud scheduled for June 2, 2012. You may reach them at 231-689-7225 to make an appointment.
