

Step Forward Michigan continues to provide interest-free loans of up to \$30,000 to assist homeowners with delinquent mortgage, property taxes, and/or condominium fees.

The refreshed design is accompanied by a new outreach message to attract Michigan homeowners who may need financial assistance to save their home from foreclosure.

Try out the [Do I Qualify?](#) feature on [StepForwardMichigan.org](#) to determine if a homeowner should apply for the program.

Explore the [Partner Toolkit](#) link to review updated program marketing material and download images to promote the program on your website or social media. Our office can also provide free printed program brochures and signs to help you direct interested homeowners to the program.

To have program staff attend a community event, provide training for your staff, or to request printed marketing materials, reach out to your program contact or our administrative office at [StepForward@Michigan.gov](mailto:StepForward@Michigan.gov) or 517-335-3558.

Please share this message with other staff at your office that work directly with homeowners who need help catching up on their payments.
